

Fritz Wahlfield Construction is honored and privileged to be a sponsor for the LZ Michigan Project and our Number One source for LZ Michigan is WGUV.

Since 1954, Fritz Wahlfield Construction Company, Inc. has been building projects for the West Michigan area. From the beginning we have managed our business with high standards. Standards of producing sound structures, attention to detail, and giving back to the community in which we serve.

A major reason we have been able to operate a free enterprise business in this Country is because our Armed Forces fought in conflicts foreign and domestic protecting our rights as Americans. They served putting service before self and taking the responsibility of being our Nation's Guardians for our causes at their expenditure.

Since the beginning, there have been many wars that this Nation has had to endure and rise from the loss of loved ones who paid the ultimate price. Our Soldiers have fought to keep out the British Tyrants during the 1700s to pursuing terrorists in the mountains of Afghanistan after their cold-blooded attack on 9/11.

The Vietnam War was a very difficult struggle in dealing with harsh jungle conditions, a motivated enemy, and a political struggle on the home front. However, this war was hard fought and paid with sweat, blood, and the lives of over 58,000 Americans. By the end of this conflict America had seen over 9 million military personnel see active duty to serve and protect our civil liberties. We as Americans never gave them a ticker tape parade, a thank you, or a Welcome Home.

This is about a Story of Saying Thank You. This is about giving these Veterans a Welcome Home. As Free Americans, it is our public duty to extend our hands to all the Vietnam Veterans to Say Thank You and Welcome Home with the LZ Michigan Project. You earned this right over 40 years ago and we are proud to not forget the sacrifice you Service Men and Women made to keep us out of harms way.

WGUV is engaged in our community. We are honored to bring community events like LZ Michigan to our area. If you are interested in becoming a sponsor and partner in LZ Michigan or other WGUV events, please contact us at 616-331-6630. Thank you for supporting our local community!

WGUV and LZ Michigan are our source for community engagement.
