Mr. Tim Eernisse,

We are proud to support the LZ Project and the efforts to welcome home the men and women who so valiantly trained and served our country.

The efforts being made by WGVU, the committee members, volunteers and supporters of the LZ Project and the West Michigan communities to honor this very special group of Veterans are greatly appreciated. The men and women who served in Vietnam made so many sacrifices and too often their efforts went unrecognized. Through your hard work and dedication to this cause, Michigan's Vietnam Veterans will get the warm welcome home they so greatly deserve.

If we may be of assistance, please contact us at your earliest convenience.

We are honored to be a part of this special day and look forward to the opportunity to show our thanks in person on the 3rd of July, 2010.

With much gratitude,

A handwritten signature in black ink that reads "Crista Hines". The signature is fluid and cursive, with a large, sweeping flourish at the end.
