Dear Mr. Eernisse,

The Grand Rapids Home for Veterans is honored to participate in Grand Valley State University's LZ Michigan project to finally welcome home our Vietnam Veterans. It is time our nation makes these veterans proud of their service to their country.

The Vietnam veteran is unique in our nation's history because the era in which they served was unpopular. Most of these men and women were treated poorly upon their return to the United States and have suffered emotionally for many years.

Thank you for supporting our Vietnam Veterans in Michigan. The LZ Michigan project will finally welcome home these veterans the way they deserve.

Thank you,
