LZ Michigan Project
Mr. Tim Eernisse
Marketing and Development Manager
301 W Fulton
Grand Rapids, MI 49504

Mr. Eernisse,

The Jant Group is honored to be a supporter of LZ Michigan and its mission to welcome home our Vietnam Veterans. WGVU has once again demonstrated its commitment of supporting the local community, and in this circumstance, WGVU and LZ Michigan have gone above and beyond to lead the way to make this important event a reality.

As history has shown over the years, our Vietnam Veterans were denied the much deserved recognition and appreciation for their sacrifices. These men and women, our friends and neighbors, came home to a community that largely condemned their actions through no fault of their own. The damage that this caused seemed irreparable for years, until now. I believe that the LZ Michigan event will help heal the remaining wounds that time could not.

Thank you for involving us in part of this mission. The Jant Group is humbled to be on the LZ Committee as it assists in the task of welcoming home our Vietnam Veterans.

If we at the Jant Group can be of any more assistance, please feel free to call on us.

Sincerely,

THE JANT GROUP

Patrick Szymczak
